

THE WORLD RENOWNED ULTRA FACIAL

EXCLUSIVELY OFFERED AT SOLITUDE SPA

CACI ULTRA Non-Surgical Face-Lift

Return your skin to its youthful form. Utilizing the world-leading micro-current technology, the CACI International Ultra, this treatment instantly tones, lifts, firms, & re-educates sagging muscles of the face. This treatment is highly recommended for those seeking a non-invasive and safe alternative to plastic surgery. Available as a single service, recommended as a series of 6 or 12 treatments.

60 minutes ~ \$225

6 Series ~ \$210 per treatment

12 Series ~ \$200 per treatment

Ultrasonic Microdermabrasion

Ultra-sound based microdermabrasion is an advanced alternative to traditional microdermabrasion. This pain-free and non-invasive treatment skillfully abrades the surface of the skin; instantly removing dead skin cells, improving cellular turnover, & evening skin tone. Ultra-sound technology is safe enough to use on acne, scars, blemishes, & hyper-pigmentation.

30 minutes ~ \$95

6 series ~ \$85 per treatment

12 series ~ \$75 per treatment

Ling Signature Triple Peel Facial

This triple peel facial is designed to reveal glowing skin through a series of exfoliating steps. First, a gentle fruit acid peel is applied, next a green papaya enzyme to deeply clean every pore, followed by an electro-static charged Rescue Peel to disinfect, brighten, tone, and hydrate the skin.

80 minutes ~ \$225

Ling Super Hydration Facial

Treat your skin to a tall drink of water with this facial. Designed to restore hydration levels with the use of Pure Squalene, Vitamin E & Hyluronic Acid, serums are delivered to the skin through Ultra-sonic waves. Finish with a ginseng herbal masque for dramatic hydrating and luminous effect.
